

# Are you a residential property developer or house builder?

## Looking for a well-established and reliable fitted wardrobe installation service contractor?

For your next New Build project, you'll want to know **why** you should choose **us** to manufacture and install our high quality fitted wardrobes to your brand new property bedrooms. Here are just a few good reasons...

- We 100% guarantee high quality design, materials and workmanship.
- We organise our work to fit in with your installation and completion schedules.
- We can work with your interior designers, project managers or architects.
- Our prices are very competitive and include generous quantity discounts.
- Our installation teams are industry trained, fully qualified and employed directly.
- We strictly adhere to all health and safety regulations.
- We offer a full 10-year warranty on all materials and labour.
- We always leave the surroundings clean and tidy on completion.

### Who we are...

We are a dedicated, family run, fitted wardrobe company and we take a lot of pride in what we do. We're sure that once you've experienced the efficiency and effectiveness of our superior fitted wardrobe service, you will definitely not want to go anywhere else.

We appreciate you demand only the very highest quality fitted wardrobes that will fully compliment the tasteful interior design of your luxury houses and apartments and because we completely love what we do, we could be the perfect match.

We have previously designed a huge range of fitted wardrobes, custom built for all types of spaces, whatever their shape and size. As you might expect, we provide free surveys and quotations and we're also more than happy to work to any existing designs or specifications of your own.

Our highly skilled installation teams are experienced, industry trained and fully qualified, ensuring you can rely on us to complete the works unsupervised and deliver results on time and to budget. Also, we don't use sub-contractors for any of our installation works. All our friendly staff are employed by us directly.

### **What we offer...**

We offer an unrivalled service to the construction industry and will always go the extra mile to ensure we deliver on time and in most cases, well beyond your expectations. However, we also know that reliability, communication, punctuality and availability are just as important as quality and price, so we're always ready and willing to meet any challenge.

Our optional design service includes producing accurate CAD drawings together with a variety of suggested finishes, either to your own specifications or to ours. We can work with your own interior designers, other contract designers, your project manager or the project architect, whichever is preferred.

We can manufacture and install a range of bespoke sliding doors with soft close, hinged doors with soft close, soft closing drawers, white glass, mirrored, a range of coloured laminates and any other speciality that might be required. All materials used are of the highest possible quality, including the rigid aluminium framework and durable nylon wall brackets.

Our fully fitted wardrobes can be walk-in, build-in or reach-in and can include any number of shelves or drawers. Whether your size of property development requires one fitted wardrobe or many hundreds, you can rest assured the quality of every wardrobe we fit will be exactly the same. We also offer generous quantity discounts and all wardrobes, including materials and labour, are fully guaranteed for 10 years.

### **What next?**

If you would like to discuss your requirements further then please contact us at your earliest convenience and ask to speak with one of our directors. We can then arrange to visit you at your office or on site, whichever is most convenient.

Alternatively, send us a copy of the wardrobe design specifications or installation plan and any tender documents and we'll be more than happy to provide you with a very competitive quotation and a timeframe for completion.
