

Gardening – Category Descriptions(short)

Beefeater Discovery Modular BBQ's

A modular BBQ from Beefeater is simply so much more than a barbecue. Build your outdoor modular kitchen exactly the way you want it with a range of quality sinks, drawers, cupboards and shelves allowing you to extend your cooking experience without limitations. The convenience of having everything to hand.

Beefeater Artisan BBQ Outdoor Kitchens

A Beefeater Artisan BBQ Outdoor Kitchen is everything you might expect from a quality barbecue system. Made from stainless steel and designed by experts, the beefeater range is head and shoulders above the rest. With fingertip controls offering precision cooking you'll be the star of the show whatever the occasion.

Beefeater Built-In Components

Trust Beefeater to come up with a whole range of useful BBQ components and accessories. Looking to extend your Beefeater barbecue or need a replacement part? Check out all the available options. From a cold bar fridge to an angled bracket, we can supply all your quality Beefeater BBQ components.

Pizza Ovens

There's nothing else like a gas or wood fired Bull pizza oven for cooking pizzas exactly the way they are meant to be cooked, Italian style. Check out our range of high quality pizza ovens designed by Italian pizza experts and built by craftsmen. Portable, lightweight and built to last.

Wood Fired Ovens

A Fornetto wood fired oven can produce exquisite, mouth-watering food and will have your guests queuing for more. Robust and fully portable, a wood fired oven is ideal for small and large outdoor events. We supply a range of quality wood fired ovens and gas ovens to suit everyone's taste.

Chimineas

On a chilly night there can be nothing more welcoming than a chiminea with its naked dancing flames and wood crackling effects. We supply a range of quality chimineas with many different and elegant styles to choose from, designed to keep you and your guests warm and the spirits up.

Patio Flame Tables

Sharing drinks and good conversation around a patio flame table is what friendship is all about. The Napoleon range of high quality patio flame tables are clean, robust and extremely lightweight in design. Why not consider a patio flame table for instant warmth and comfort at your next special event?

Chiminea & Firepit Covers

Chimineas and firepits are often left outside in all types of weather because that's when they are needed most but when not in use, simply cover with a custom chiminea or firepit cover. We supply a range of quality and inexpensive covers to ensure your firepit remains in top condition.

Patio Heater Accessories

Patio heaters are great for providing additional warmth after the sun goes down but sometimes one patio heater is just not enough. That's why we supply a selection of quality patio heater extensions and a whole host of patio heater accessories including, flush mount brackets and handy remote control switches.

Patio Heater Covers

Patio heater covers are specially designed to protect your patio heater when not in use. A waterproof cover will help keep your patio heater in top condition. That's why we supply a range of quality patio heater covers, including universal covers, to fit any shape or size of patio heater.

Garden Furniture Covers

It's good to be able to use your garden furniture whenever you want and when weather allows but who wants to keep putting it away and taking it out every time it's needed? Garden furniture covers can simply be placed over your furniture in seconds, offering all year round protection.

Fruit Cages

Growing fruit can be very rewarding but it can also be disheartening when you discover that the birds have had first choice, long before you had a chance to reap the 'fruits of your labour'. We supply quality fruit cages so you don't miss out on what is rightfully yours.

Garden Rakes

When you need to gather it, level it or smooth it, there's a garden rake that's simply made for the job. Soil rakes and lawn rakes from Wilkinson Sword are quality garden rakes you can always rely on whatever the job in hand. We supply garden rakes for any occasion.

Hoes & Cultivators

Keeping your flower beds and vegetable plot free from nuisance weeds is paramount and helps prevent the spread of pests and diseases. We supply a wide range of quality hoes and cultivators to ensure your garden soil can be kept clean, weed-free and well aerated all through the growing season.

Kneelers

Gardening often means getting down amongst the lowest growing plants and carefully removing weeds by hand or planting direct into the soil. Bending down is not recommended and that's why we stock a choice of several types of quality kneelers to ensure your low-level gardening is always comfortable and safe.

Lawn Tools

As every lawn enthusiast knows, straight lawn edges are essential. An edging knife is used to achieve this and is one of the most important lawn tools. We also supply other lawn tools such as quality hollow tine spikers and light rollers to help you apply that perfect finishing touch.

Loppers

Keeping your garden under control often means pruning your trees and shrubs at least once a year. To help you, we supply a range of heavy duty loppers to make short work of any pruning job. Loppers are available in various sizes including extending loppers for hard to reach branches.

Other Tools

We supply a vast range of quality garden tools including many other tools that may only be needed very occasionally, such as axes and hatchets. If you're looking for something different like a dibber, scraper or grubber, check out our selection of other tools including hand saws and compost scoops.

Pruning

Essential tree pruning, shrub pruning and dead-heading tasks all require specific tools for the job. That's why we supply a large range of high quality pruning tools including hand saws, long-handled and telescopic saws and pruners plus a selection of Wilkinson Sword secateurs for every type of pruning job imaginable.

Secateurs

What do the words anvil, bypass and even parrot-beak have in common? They are all references to types of secateurs and every gardener will have their preference. Whatever yours might be, we'll have a pair of high quality secateurs to suit you and your budget from Wolf and Wilkinson Sword.

Snow & Ice Tools

Winter brings the inevitable cold and wet weather but occasionally it can also cause havoc with snow and ice. Clearing your paths and driveway of snow can be made all the easier with the right tool for the job. We supply quality snow and ice tools including handy snow shovels.

Trowels & Forks

We supply a range of quality trowels and forks for all those little and large planting jobs around the garden. A trowel is essential for planting bulbs and bedding plants, while a hand fork is perfect for aerating and freshening up the soil between small planted areas such as rockeries.

Weeders

Weeds will grow just about anywhere and everywhere and most of the time they'll grow exactly where you don't want them. So for that reason we supply a range of quality weeders for those awkward little places like between paving, at the edges of steps and even your prize lawn.

Wilkinson Sword Space-Saver Tools

The name Wilkinson Sword is synonymous with quality you can trust and in the garden, Wilkinson Sword space-saver tools are designed to save both time and space. Dual purpose tools with quick change heads and handles makes sense for anyone who might be looking for versatile and economical garden tools.

Garden Waste

Gardens can produce a lot of garden waste during the course of a year but most of this can all be recycled and reused. For all your garden waste we supply a variety of quality, long lasting wooden compost systems from Forest Garden. For other garden waste, incinerate it safely.

Gardening Gloves

Gardening can be tough on your hands and even lead to minor injuries so protect your hands with a pair of quality gardening gloves. We supply a large selection of gardening gloves for both men and women in a range of colours and materials including leather, neoprene and washable fabrics.

Paraffin Greenhouse Heaters

Paraffin greenhouse heaters are both effective and cost effective. Don't risk losing your precious plants due to frost damage, simply invest in a low-cost paraffin heater for your greenhouse. We supply paraffin heaters for all size greenhouses but ensure you calculate the internal area to determine which one is best.

Greenhouse Heater Accessories

Greenhouse heating is essential in winter but sometimes the unthinkable happens. We supply a range of greenhouse heater accessories to ensure your greenhouse heating works effectively and efficiently. From spare gas tubing to regulators and jubilee clips, you can be confident that your greenhouse heating needs are well catered for.

Growing Media

Growing new plants from seeds or from cuttings is fun and to ensure you get the best possible results, we supply a range of top quality growing media for every seed sowing or potting job. Select from tried and trusted names such as 'John Innes' from Levington and Miracle Grow.

In the Greenhouse

For anything and everything you need in the greenhouse we have a huge range of quality accessories to meet your every need. From staging to heaters and from automatic vents to irrigation kits, we won't let you down. Check out our full range of accessories for use in the greenhouse.

Greenhouse Shelving

Whether you're potting up plants, sowing seeds or just storing trays and pots in your greenhouse, you'll do it all so much easier with greenhouse shelving. The more pot plants you produce the more shelving you will need, which is why we supply a wide range of quality greenhouse shelving.

Lawn Care & Treatments

Take pride in your lawn and ensure it gets the feed and maintenance it deserves. Our large range of quality lawn care & treatments are designed specifically to keep your lawn in tip-top condition from spreaders and fertilisers to lawn weed treatments and grass seed for essential minor lawn repairs.

Lawn Feeders

A lush green garden lawn is a lawn to be proud of but it takes a little work and patience to produce the perfect garden lawn. Feeding your lawn is absolutely essential during the spring and summer months and with our quality lawn feeders, you'll get the best possible results.

Lawn Spreaders

When it comes to feeding the lawn why risk a patchy result from spreading lawn fertiliser by hand? A lawn spreader will do the job twice as fast and much more evenly than any hand spreading operation could ever achieve. Check out our range of quality pedestrian operated lawn spreaders.

Grass Seed

Is your lawn letting your garden down? Does it have bare patches and weeds? Restore your lawn with quality grass seed for patching and repairing. We supply various types of grass seed for different situations, with or without added fertiliser. From handy repair kits to large 1kg bags are available.

Lawn Fertilisers

All plants will grow better when they are fed and your lawn is no different. If you want a deep green and weed-free lawn they apply one of our proprietary garden lawn fertilisers or a lawn weed and feed fertiliser. Lawn fertilisers from trusted brands such as Evergreen are available.

Plant Invigorators

Get the best out of your home grown vegetables by applying one of our top quality plant invigorators. Plant invigorators will aid plant nutrition and help plants to fight off pests and diseases by encouraging your plants to grow strong and healthy. Ideal for both small garden plots and allotments.

Planting & Seeds

Producing plants and growing plants from seeds is what gardening is about, which is why we supply a massive range of containers and growing aids for all your planting and seeds. From pots and cloches to plant supports, we have something to help you get the best from your planting.

Frost Protection

One of the biggest killers of tender plants is frost. If you have plants that are not frost resistant then beware when Jack comes a calling. We supply a whole range of quality frost protection products to ensure your precious plants don't succumb to the devastation that frost can bring.

Planting Tunnels

Are you planning on growing flower or vegetable seedlings outdoors? Planting tunnels offer real protection against the elements, especially damaging frost, for your vulnerable tender seedlings and can give them a head start. Check out our range of quality, low-cost planting tunnels and be prepared for whatever the weather brings.

Cloches

Get your seedlings off to an early start and protect your plants from frost and damaging cold winds during their first few tentative weeks. Cloches offer the perfect solution for plant protection and are very cost-effective too. We supply a selection of quality cloches for all your plant protection needs.

Cold Frame

Growing plants from seed in a greenhouse will give them a head start but before they can be planted out they will need to be acclimatised in a cold frame. Our cold frame is large enough for most jobs but you can always double up if you need more space.

Planters

For all types of pot plants, ornamental shrubs and even tomatoes, we supply a huge range of practical and very decorative planters. Our quality planters are ideal for placing around the patio or the decking or positioned at the front of the house or anywhere that they can be appreciated.

Planting Equipment

We supply a wide range of planting equipment and accessories to ensure your plants are supported and protected. For all manner of planting equipment check out our selection of markers, trees ties, mesh, mats and useful grow pots. Need a quality potting table or a potting tray? Look no further.

Raised Beds

Add another dimension to your planting scheme with a raised bed. Raised bed planting is ideal for those who love growing and planting out their garden but don't enjoy too much bending. Raised beds are ideal for wheelchair users too. Check out our range of quality treated timber raised beds.

Hanging Baskets

There's nothing more striking and appealing than a series of strategically placed, well-planted hanging baskets adorning the external walls of a house. Hanging baskets and 3-tiered planters can brighten up any situation. We supply a range of quality hanging baskets and all you have to do is use your imagination.

Plant Food

Your roses, shrubs, fruit and vegetables are crying out for it. Plant food is essential if you want your plants to grow and thrive, produce plenty of flowers and plenty of succulent fruits. We supply a range of quality liquid and granular feeds to ensure your plants never go hungry.

Propagator Accessories

Your propagator will help germinate seeds much faster than leaving them in a pot on the windowsill. However, if you want to grow plants on your windowsill then take a look at our propagator accessories, some of which can help your seeds grow into plants in next to no time.

Weed Control

Weeds will grow just about anywhere and if left unchecked could soon take over your garden. Weed control is essential, especially during the spring and summer months so to help you we supply a wide range of proprietary chemical weed killers and applicators. Weed control solutions for the toughest weeds.

Tough & Root Weedkillers

Some weeds are tougher than they look and that's because there is often more to them than what you see on top. For the toughest weeds you need a tough weedkiller, which will kill the roots of the weed. We supply tough root weedkillers that will do the job permanently.

Path & Drive Weedkillers

Can there be anything more annoying than weeds coming up between the narrow gaps in your paving and your driveway? Don't get annoyed, get on top of those weeds with a proprietary weedkiller that will kill those pesky weeds right down to the roots. We supply path and drive weedkillers.

Moss & Algae Killer

Slippery paths are often down to algae growing on the surface, which can be removed manually by scrubbing. Moss too can grow in damp shaded areas causing a slippery surface. To remedy this problem and save all the scrubbing, we supply Neudorff Organic and fast acting moss and algae killer.

Lawn Weedkiller

If your lawn consists of more weeds than grass, don't despair. Simply apply a quality lawn weedkiller and reclaim your lawn. We supply a range of highly effective, branded lawn weedkillers for every lawn regardless of its condition. Trust Evergreen and Weedol to help get your lawn back to life.

Patio Cleaner

It doesn't take long for a new path or patio to begin looking drab and lacklustre. Apart from natural weathering, most paved and concrete areas can quickly gather dirt and grime, algae and lichens. The best solution is to restore your patio and paved areas with our quality patio cleaner.

General Weedkillers

Weeds are a menace and can make your garden, patios, paths and drives look overrun and neglected. For this reason we supply large range of proprietary general weedkillers for every occasion. Check out our wide selection of general weedkillers. We're sure you'll find exactly the right weedkiller for the job.

Wheelbarrows

Except for those who might have tiny gardens, every keen gardener could certainly benefit from a wheelbarrow. Wheelbarrows make it so easy to transport all sorts of items from one area to another very quickly and without the strain of carrying. We supply quality galvanised wheelbarrows you can rely on.

Bosch DIY Power Tools

A lot of DIY jobs happen around the garden from sanding down garden furniture to drilling holes in wood for constructing pergolas. For all the big DIY jobs in your garden and around the house, use power tools you can trust. We stock a range of Bosch DIY power tools.

Brushcutters

When a garden becomes overgrown and reverts to the wild it can take a lot of effort to get it back under control. We supply a range of quality brushcutters to help you tame any garden and reclaim your outdoor space. Our brushcutters will easily tackle overgrown weeds and brambles.

Electric Brushcutters

Garden getting out of control? An electric brushcutter is more than a match for almost any overgrown garden. Quiet and effective, an electric brushcutter can help get your garden back to exactly how you want it. Check out our quality, lightweight brushcutters suitable for cutting grass and tough woody plants.

Cordless Brushcutters

When an area of your garden looks to be falling victim to the ravages of nature, take action with a cordless brushcutter. Cordless brushcutters offer freedom of movement without the restrictions of a cable or the heavy weight of a petrol engine. Check out our selection of quality cordless brushcutters.

Petrol Brushcutters

When a garden clearing job needs the professional touch, a heavy duty petrol brushcutter might be the only option. A petrol brushcutter is exceptionally powerful and will tackle most overgrown gardens with ease. We supply a wide range of quality petrol brushcutters that will slice through the toughest garden material.

Chainsaws

For all your tree surgery, tree felling and logging jobs the only power tool that is capable of handling the job effectively and efficiently is a chainsaw. We supply a range of top quality chainsaws including petrol engine, electric and light cordless with a wide selection of chain bar lengths.

Electric Chainsaws

When you need to get some logging or light tree pruning work done fast then an electric chainsaw could be the answer. Electric chainsaws are light, powerful and will handle most small to medium wood cutting jobs with ease. We provide a selection of quality electric chainsaws to choose from.

Petrol Chainsaws

When you need to spend time cutting up large amounts of tree branches, felling small trees or cutting up logs for firewood you need a quality, powerful petrol chainsaw for the job. We supply a good selection of petrol chainsaws with various cutting lengths for most domestic wood cutting jobs.

Cordless Chainsaws

If you're planning on using a chainsaw for logging or tree pruning work then a cordless chainsaw has a lot to offer. Lighter and less cumbersome than a petrol or electric chainsaw with cable, these cordless chainsaws are powerful and convenient. Check out our range of best quality cordless chainsaws.

Generators

A generator is the ideal solution for running electric power tools in the garden or for any place where a mains electricity supply might not be available. Generators are also useful for camping and caravanning holidays too. We supply lightweight generators for all types of power tools and uses.

Grass Trimmers

Grass trimmers come in all shapes and sizes so there is sure to be one that will be exactly what you need for the job in hand. Grass trimmers make light work of all types of grass maintenance tasks. We supply a wide selection of grass trimmers for any occasion.

Electric Strimmers

When a mower isn't practical due to a steep embankment then the best alternative is an electric strimmer. An electric strimmer is both lightweight and powerful and will tackle most grass cutting jobs with ease. We supply a large range of quality electric strimmers for all types of grass cutting.

Petrol Strimmers

Large areas of wild or overgrown grassland usually calls for a tool that's got power and durability. Petrol strimmers are very professional grass cutting tools that will make short work of most tall grass areas, large or completely overgrown gardens. Check out our impressive range of high quality petrol strimmers.

Cordless Strimmers

Looking for a lightweight strimmer that doesn't hold you back or restrict your movements around the garden or allotment? Cordless strimmers are perfect for when you need power without having to drag a lead around with you. We supply a range of top quality cordless strimmers for just the occasion.
