

Introductory email for keys247

Subject line: Where can you get a reliable locksmith these days?

Alt subject line: Confessions of a 24 hour locksmith in London

We're here when you need us...

You can never have enough good locksmiths on your books, as very often, just when you need a locksmith at short notice, they are all busy somewhere else on a call.

We at Keys247 are not only professional and totally reliable, we're probably one of the quickest emergency locksmiths to respond to a call from anywhere within the London area.

Why partner with us?

We work closely with Asset Management companies, such as yours, and fully understand how important it is to gain entry to a property quickly or change a lock within a few minutes.

We also work with a wide range of customers including residential, commercial and industrial, so we're very experienced too.

Whatever the requirement... emergency door locks, window locks, automotive, security systems or routine maintenance work, you can count on Keys247 to deliver.

Take us up on our offer...

Whatever your emergency needs, including door lock repairs or replacement, or full security lock installations, call us at any time 24/7 and we'll be there within 25 minutes.

Our prices are very competitive and we offer 12 and 24 month guarantees on all our work with absolutely no call out fees... ever.

Give us a try and we'll deduct 10% from the total cost of your bill for the first job we do for you.

What to do now...

Just click the link below to visit our website for more information.
