

## **Voiceover script IT Flexi Team Ltd**

Meet Rob...

Rob's a brilliant & busy IT Manager ... and always has many users needing urgent assistance along with high profile projects to complete.

But next week Johnny, Rob's best IT Support Engineer is on holiday...

Rob doesn't know what to do and is now feeling really stressed.

Then he remembers his best friend Mike telling him about IT Flexi Teams innovative 'Guaranteed IT Staff On Demand Service.'

Rob telephones IT Flexi Team and a friendly voice tells him they'll get an experienced IT Support Engineer over, no problem.

IT Flexi Team guarantee their IT Staff will have the right level of technical skills required for the job and also guarantee to meet an agreed start time.

So no more time wasting with sifting through CVs and calling agencies.

Rob is feeling reassured.

IT Flexi Team is run by IT Managers who ensure nothing is left to chance.

So now everything is looking good again for Rob and he can hit those deadline targets... safe in the knowledge that IT Flexi Team have Johnny's absence covered.

So, if you need temporary IT staff give our office a call now and speak to a friendly voice on 0 double three 0, two thousand, three, four, five.
