Meet Bob. Bob's a builder...

And here's Chris... Chris is a carpenter.

This is Pete. Pete is a professional plumber

And here's Pete's brother David. David is an accountant.

However, David is also a keen DIY enthusiast and spends most of his weekends upgrading his home.

Now all these guys have two things in common... they all live and work in and around Crediton in Devon.

And they all buy their tools, building materials and accessories at Eakers DIY.

They trust Eakers DIY to supply them with quality products at very competitive prices.

The Eakers team are a friendly bunch too.

Eakers DIY stock a vast range of building and home improvement products for the trade, the DIY enthusiast and the general public but that's not all...
